

Kitchen and Bath Designer Nova Kitchen and Bath, Inc

JOB TITLE: Kitchen and Bathroom Designer

DEPARTMENT: Design and Inside Sales

SUPERVISOR: President

JOB SUMMARY

For more than thirty-five years, Nova Kitchen and Bath, Inc has provided quality design, service and installation to literally thousands of satisfied customers. We are a company built on honesty and integrity offering innovative and imaginative designs supported by an incomparable staff. We provide quality service to our clients before, during, and after the sale. We represent an extensive product line, and our value exceeds our price. We are the benchmark for kitchen and bath designs in Western North Carolina.

We are seeking a qualified, experienced, tech-savvy kitchen designer with proven kitchen and bath design skills. The most qualified candidate will also possess an out-of-this-world work ethic and strong organizational skills, proving they can exceed the expectations of our incredibly loyal customer base.

GENERAL JOB DESCRIPTION

The kitchen and bath designer designs, draft layouts and drawings of kitchen and bath areas, ensuring that the project meets the requirement of the client. The designer will discuss the detail of the project, draw the plan accordingly to their client's needs and prepare an estimated cost for the project. The designer is responsible for ensuring the order, installation, and payment of the cabinets and countertops, and completing the order to the client's satisfaction.
