

Resume of Don Thompson

April 2, 2019

690 North Canton Road

Canton, North Carolina 28716

Phone: (828) 230-5573

Email: sarakesh7578@gmail.com

Current Position:

Vice President of Operations, Deltec Building Company, Inc. in Asheville North Carolina

I was hired in 2011 by the Owners of Deltec Homes to start up and run a turnkey building company for their panelized home products sold in Western North Carolina. Supervisor Steve Linton, President.

2001-2010:

Owner of Thompson-Rhodes Builders, Inc. in Asheville, North Carolina. Builder of high-end homes in the Asheville Area. Closed company in 2010 when the recession caught up with me.

Prior Experience:

Two years as construction superintendent building Southland Log Homes for Saluda Realty, Saluda, NC

Two years as construction superintendent building a church and other projects for Nilsson Construction, Asheville, NC.

Three years as owner of Sarakesh Design in Grand Junction, CO, an AutoCAD drafting service for builders.

Five years as superintendent of construction for Webber Built Homes in Grand Junction, CO

Three years as superintendent of construction for Robert Coe Builders, Austin, TX.

Two years running my own framing company in Austin, TX.

Taught Building Trades for three years at Deltec-Montrose Vocational School in Delta, CO

In addition to the above I have worked on a variety of projects including several school buildings, a candy factory, a water diversion tunnel, a water treatment facility, a natural gas processing facility for Amoco Oil and multiple residential projects.

Education:

High School:

Don Bosco Technical Institute, San Gabriel, CA, a four-year trade school where I studied Building Trades for four years along with college prep academic classes

College:

One year Cerritos Junior College, Alhambra, CA

Three years California State University, Los Angeles, CA

Organizations:

Asheville Home Builders Association

Asheville Green Building Alliance

Accreditations:

North Carolina Accredited Master Builder

North Carolina Certified Green Professional
